PROFESSIONAL EXPERIENCE

SEO Analyst

Sep 2022 – May 2024

MomJunctionPvt. Ltd. • Hyderabad, Telangana

- Developed and implemented SEO strategies, including keyword research, competitor analysis, and website analysis across multiple content clusters to improve organic traffic.
- Optimized website content and pages in line with **YMYL** and **E-E-A-T** best practices to improve search visibility and content quality.
- Collaborated with content teams to develop and optimize content clusters and internal linking structures aligned with search intent.
- Leveraged AI tools such as **ChatGPT** and **Gemini** for SEO workflows, content analysis, keyword ideation, and SEO sprint initiatives.
- Prepared daily website checklists and traffic reports using GA4 and Google Search Console to monitor organic performance and identify trends.
- Conducted content gap analysis and identified optimization opportunities to improve content quality, rankings, and organic visibility.
- Optimized entity associations using Wikipedia and **MREID references** to improve search engine understanding and strengthen entity relevance.
- Achieved Featured Snippet and **People Also Ask (PAA)** placements through structured content formatting, FAQ optimization, and question-focused content, improving SERP visibility.
- Collaborated with editorial teams to maintain a consistent publishing cadence of 200+ articles per month, aligning SEO priorities with content production workflows.

Search Analyst

3dm Agency

Nov 2021 - Sep 2022

- Created and optimized **hyperlocal landing pages** to improve local search visibility and rankings in Google Business Profile.
 - Contributed to client onboarding and SEO pitch decks, presenting SEO strategies, opportunities, and proposed solutions.
 - Prepared monthly **SEO audit** reports by analyzing Google Search Console and Google Analytics data to identify performance trends and optimization opportunities.
 - Managed on-page and off-page SEO activities, including content optimization, technical improvements, and link-building initiatives.
 - Identified and resolved **technical SEO issues** and implemented strategies to improve the website's backlink profile.
 - Conducted comprehensive keyword research and optimized target pages to improve SERP rankings.
 - Implemented AMP and structured data, including Product, Organization, FAQ, and Breadcrumb Schema, to enhance search engine understanding and visibility.
 - Executed **paid outreach** and email pitching campaigns to acquire relevant backlinks.
 - Developed **SEO-friendly blog titles** and content structures based on keyword research and search intent.
-

Jr. SEO Executive
